

# INTERSTATE 215 TRAFFIC ADVISORY

## Lane closures on 5<sup>th</sup> Street bridge for dust control, Wednesday and Thursday, January 31 and February 1

**WHAT:** As part of the I-215 widening project in San Bernardino, construction crews will close two lanes on the 5<sup>th</sup> Street bridge to provide access for crews to water down the newly cleared freeway median for erosion/dust control.

Construction work also will require the closure of two lanes between H and J Streets over the 5<sup>th</sup> Street bridge. One lane will be kept open on the bridge in each direction to maintain traffic flow. No detours will be required for this work.

**WHERE:** 5<sup>th</sup> Street bridge between H and J Streets

**WHEN:** *Wednesday, January 31 and Thursday, February 1  
7 a.m. to 3 p.m.*

Every effort will be made to minimize the impact to residents, businesses and motorists throughout this and all phases of construction. Due to unforeseen operational factors or inclement weather, these dates and times may change.

***San Bernardino Associated Governments and Caltrans appreciate your patience during the Interstate 215 widening project. Please allow extra time when traveling through the construction zone and follow all signs and detour routes.***
